PRV36	36” (914mm)	33 3/8” (848mm)	57 lbs.
PRV46	46” (1168mm)	43 3/8” (1102mm)	67 lbs.

NOTES:

1. **The Dacor custom transition ATD2 ships with each ERV and is used for the left, right or down ducting options. Rear ducting is designed for 3 1/4” x 10” rectangular duct.**
2. **The ATD2 transitions are equivalent to 4 straight feet.**
3. **It may be necessary to route or remove the cabinet back if the minimum interior depth cannot be met.**
